DID YOU KNOW?...

The God-blessed touch on this dynamic, loving church family these past two weeks has been totally awesome. Our Father cared enough about numbers to name a book of our Old Testament Numbers. It was not unusual in the New Testament time as recorded in the book of Acts to report a supernatural movement of Jehovah Jirah to tell us exactly how many were born again. Please know that a focus goal at Calvary is to make glad the heart of God and make Him look good to others. Also, keep in mind that no matter what number that is reported, it represents precious and valuable individuals. Did you realize that in the past two weeks we have been powerfully blessed with over one thousand individuals registered in major life-changing Bible studies? Have you added week one and week two together to get an anointed forty-six souls who have personally accepted the Lord Jesus Christ as personal Savior? WOW! All praise, honor and glory to Yahweh! Thank God for dedicated, committed laborers! Yes, you have helped and been used of God to expand His Kingdom. No wonder your pastor is having the very best time of my whole life in ministry. For several weeks your pastor has gladly shared (just couldn't keep it in) that we were fixing to experience a major movement in going forward to some unfamiliar territory with our Savior. Good news is that we are in the midst of some wonderful events but the best news is that He is not yet finished. Keep praying, believing and working because He has bigger goals in our future.

HAVE YOU TOLD?...

Our annual red, white and blue God and Country Day falls on Sunday, July 4, this year. We plead with all our music type folks to please give us the full two services once again this year.

Now to the major subject at hand. Did you know that we have guests who are so touched by this event that they sacrifice and make sure that they are present each year? Without apology we request that our own folks not leave town until we have wrapped up the final word on Sunday morning. Your pastor will be on vacation all of next week but I refuse to miss this upbeat celebration. We have never had someone say, "Oh, I'm sorry that we came today." The most often repeated remark at the end of the day is, "We will be back next year." Okay, exactly what can we do to help make this most major event even better? You always ask the best questions. First, pray without ceasing that the power of God will fall on the whole day. Second, be here EARLY yourself. Third, this is one of those really unique times to invite and bring what will become a grateful friend. During my college days, patriotism was out of favor, sad to say, but right now people in our country like tears in the eyes, lump in the throat and joy in the heart being a proud American. Let us stand, shout and gladly declare, "God bless America, again!" because there is a remnant that still loves Him and is happy to walk faithfully with Him.

Your pastor,
Van

C.O.M.E. - Calvary On Mission Everyday

New Mission Opportunity: As we explore a possible new mission to work with the students at Laurel Oaks, please pray! I do believe that God is giving us a chance to expand our territory. He is calling us to another front line ministry. I love the dynamic that takes place when we take the gospel outside the walls of the church. These students need love. These students need laughter. These students need people who will pay attention to them. These students need the Lord Jesus Christ in their lives. They need Jesus with clothes on. We will be working with the students in a VBS format. We will need people who will teach the Bible story, help them worship through music, be creative in doing a craft, and just having fun through recreation. Can God use you to help? If you think you would like to be a part of this ministry, call Heather or Ed in the Church Office, 792-5159, and let us know. Training will be provided. Do not let fear keep you from experiencing God in a deeper manner.

Remember, we need **reading glasses for Guatemala.**
